## **IMPORTANT INFO**

- You need to book a place for EACH WEEK you wish to attend. Priority is given to those who have not been able to attend ZOOM meetings, due to computer issues. If you are struggling with technology, it might be helpful to organise a “booking buddy” to help you book your place each week.
- We would like to give everybody who wishes to attend the chance to do so, therefore please do not block book places for every week. If there are still spaces available on the Thursday prior to the service, you can then go ahead and book a space.
- Please note that singing is not permitted, and there will be no fellowship opportunities (ie those present will not be able to congregate at the end of the service). Please bring your own Bible if you wish.
- Families are welcome to attend, but unfortunately, due to restrictions, there is NO PROVISION for Childcare/Creche/Sunday school at the moment.
- The service will be going out on Zoom, so at times, you may be seen on camera!
- On arrival, please ensure you are wearing a face covering, unless exempt for medical reasons.
- You will need to hand sanitise, sign in, and directly move to your seating area, with each family group following 2m social distancing. PLEASE ONLY SIT at a designated Seating area (THERE ARE CARDS OUT FOR DISPLAY).
- We will follow a one-way system before and during the service. If you need to leave the service BEFORE the end, please leave via the church vestry door.
- At the end of the service, please leave from the back of the church, through the front door.
- The Toilet is available for use in an emergency. Please use the hand sanitiser at the door both BEFORE and AFTER you enter. Antibacterial wipes will be available to wipe down surfaces in the toilet.
